

About us

The Hirsch Creek Golf & Winter Club has a beautiful clubhouse set amongst some of the most scenic views in Northern BC. The club has a 130-seat licensed clubhouse and deck along with the private meeting / dining room that can accommodate up to 36 people.

Our challenging 18-hole, par 72, golf course is surrounded by some of the most stunning mountain scenery in the Province and with a variety of superbly designed holes, the Course always presents members and guests with a memorable golf experience. The beautiful front 9, designed by Les Furber, winds its way through the wilderness, to create outstanding views from tee boxes and fairways. The back 9 is an established layout that utilizes the natural terrain to form a more traditional golf experience.

The four sheets of curling ice are rated amongst the best in the North. The Club has now become a busy competitive facility and continues to grow with excellent representation from the Club at the BC Junior and high school level.
