Dear Sponsor,

With another golf season just around the corner, we wish to reach out to our community partners. We offer an opportunity for your business to be showcased in a variety of ways to each member and guest who visits our facility throughout the year. We are dedicated to continuing strong relationships within Kitimat's business community and the residents of Kitimat.

We have compiled a list of daily opportunities, leagues, and community events held every year at Hirsch Creek. In addition to our business partnerships, we wish to provide business owners, managers and staff access to our many products, services and special event opportunities.

In this package you will find Event Sponsorship, Signage Marketing Programs and Corporate Pass opportunities for you and your staff that include member privileges and transferable passes.

Please take a moment to review the package and let us know how we may be of help. Don't hesitate to contact us to discuss the opportunities available to you and your business.

We thank you in advance for your time and look forward to our next discussion at your convenience.

Sincerely,

Dan Martin  
General Manager/PGA of Canada Class A Head Professional  
Hirsch Creek Golf and Winter Club
